ward drift apparently was nothing more than the response to professional

operations.

Among the most active stocks Reading was the only issue to lose as much as a point. Canadian Pacific, which was weak in London before the opening, continued failing, declining three-quarters of a point.

News of the prospects for peace in the Balkans acted as a mild tonic, and in the midday trading the losses among the representative stocks were recovered. Once this was accomplished, however, the improvement stopped. Toward the close quotations easied off slightly.

recovered. Once this was accompused however, the improvement stopped. Toward the close quotations easied off slightly.

The most conspicuous changes of the day were among stocks of ordinarily inactive issues, some of which were subjected to steady pressure. American Brake Shoe, preferred, lost 18 points; American Woolen, 5 1-2; Bethlehem Steel, common, 2 3-8; American Cotton Oil, which recently has attracted some attention by its rise, lost 2 points. Vulcan Detinning was an exception, with a gain of 3 1-2. In view of the better prospects for the ending of the Balkan war, a decline in foreign exchange rates attracted some attention. Demand sterling fell to the lowest point of the year. A settlement of the war would cause a decided relaxation in financial circles in Europe, encourage the return to regular channels of a large amount of money, which has been held up for more than two months, and it is thought might place American bankers in a position to bid successfully again for a part of the weekly offerings of South African gold in the London market.

Trial Promises to Be Sensational Warning Issued to Tax-Dodgers.

[Special to The Times-Dispatch.] Harrisonburg, Va., November 19 .- A special session of the grand jury called to investigate the tax dodgers. issued a statement to-day to the tax payers of Rockingham County, giving them thirty days to confer with the Commissioners of Revenue in regard to mistakes in assessments, criminal and otherwise, after which the commission-ers will carry the matter to the grand

jury at a later session.

The grand jury sprung a surprise by indicting Joseph Fraxier, of Island Ford, for wife-murder. Fraxier took to the mountains, when his wife died, leaving her week old baby, and neighbors testified that the woman's death was due to kicks and licks administered by the husband because she was too weak to cook and work. Horrible stories of gashes and bruises were toid of on the body of the dead woman.

After Frazier's arrest, the body was after Frazier's arrest, the body was exhumed and no marks and bruises were found. At the preliminary hear-ing, however, a little son of Frazier's told of his father striking his mother, and said his father has promised him a suit of clothes to keep quiet.
